THANK YOU

Well here we are, 5th time now. We were thinking back to the first golf day and we can't believe that was five years ago.

Once again thank you so much for your support! It's fantastic to see so many familiar faces and some new ones this year, particularly Matt's brother Jon.

This day would not be possible without the support we receive from all of you, as well as the numerous companies and clients who sponsor us.

Yet again, we are fortunate to have Foundation Estate Agents sponsor the day. We have a close relationship with Foundation and are proud to announce that they are once again supporting our DWG Golf Day.

THE HARVEY GREEN WINNERS CUP

- WINNING TEAM
- 2nd and 3rd Place Teams
- LONGEST DRIVE
- NEAREST TO THE PIN
- LOSING TEAM
- AND A FEW OTHERS

It is now our 5th year and I wanted to take the opportunity to thank you all for your generous support that you have shown over the last 5 years.

DWG's Golf Day has become such an important and personally comforting day for Lis and I. Losing Harv in 2018 was something that no mum and dad or sibling should ever have to deal with, but all too often families' lives are turned upside down and changed forever.

It is a pain you cannot describe, and you become a member of a group that you would never want to be part of.

Somehow, with the love and support of our other children and our amazing friends Sam and Nat, Lis and I were able to find the strength to carry on. The photo above is one of the last we have of Harv and was taken just after he was 18 and shows him with a look of sadness. Not long after this picture, we lost Harv, and we knew then that life would never be the same.

The Golf Day has been our way of trying to make a difference and to bring awareness of mental illness in young men in particular. Understanding suicide and the warning signs to look out for in family, friends, and work colleagues is so important to help someone in real need.

This is why we will never stop supporting the Matt Palmer Trust and continue to build our friendship with Nigel, Jan, Matt's mum and dad, and Luke, one of Matt's best friends.

The Trust offers courses to become much-needed mental health first aiders. The course is designed to teach skills and gain confidence to help someone who is experiencing a mental health challenge.

We are proud that DWG has been able to donate money every year since we started the Golf Day, and we do this in Harv's name. We love you, Harv.

We are also supporting Breast Cancer Now this year. I am sure many of you will be aware that my beautiful wife, Lis' was diagnosed with breast cancer in 2020. She underwent an operation, chemo, and radiation therapy, along with ongoing medication, and following all of this she was told she was cancer-free.

Fast forward to 2025, and the cancer is back. Lis, our children, and I now have to deal with a new chapter, stage 4 breast cancer, which has now appeared in some of her bones.

Lis is amazing, and her positive spirit and ability to not give up shines through.

The prognosis is very good and her consultant has said that new medications are coming out all the time. This is why we need to support Breast Cancer Now, to help with the development and discovery of new treatments.

Lis will fight this wicked disease, and with all your help, we will continue to raise as much money as we can to donate to these worthy charities.

Something positive for our family is that my oldest son and his wife are having our first grandchild due in a few weeks – A wonderful new beginning for us.

Thank you again, and tonight when you get home, give your kids and your other half an extra long hug.

Nick Green

Miles

Last year we asked for your help to fund life changing help for Miles Stockwell. Miles lost his battle with this awful disease and this year we want to join Whitstable Colts and raise money for the Bone Cancer Research Trust in loving memory of Miles. TeamMiles has raised £76,063 for Bone Cancer Research Trust and we are part of that which is amazing

Bone Cancer Research Trust are the leading charity dedicated to fighting primary bone cancer and are uniquely placed to make a difference through research, information, awareness and support.

For those affected by the disease right now, their top-quality information and supportive network means no-one should have to feel alone or isolated.

Vision

A world where primary bone cancer is cured

Mission

To save lives and improve outcomes for people affected by primary bone cancer through research, information, awareness and support.

Never Forgotten

Martin Collins

Martin is another reason we support The Matt Palmer Trust. I still struggle to believe he isn't with us today. He would have been walking around, doing his magic tricks, lighting up the room in a way only Martin could. Miss you MC, gone but never forgotten. x Sam Denly

FOUNDATION

About Us

MULTI-AWARD WINNING, INDEPENDENT ESTATE AGENCY

We are a family run, multi award winning, independent estate agent with a reputation for outstanding property marketing and customer service.

We sell and let town, village and distinctive homes in Faversham, Canterbury, Whitstable and across the whole of Kent.

Established in 2007, we help sellers, buyers, investors, landlords, tenants, landowners and developers achieve success across Kent.

Owned and run by Robert Fletcher together with his wife Josie, Robert has over 20 years' experience in the property industry. Professionalism, integrity and knowledge are at the heart of everything we do.

With a passion for property and unrivalled experience across Kent, the team at Foundation have 150 years of collective experience between them and are focused on delivering exceptional service and making your property journey as successful and as stress-free as possible.

Combining our people focused customer service approach with the use of the latest technology and marketing, we deliver an estate agency experience that is friendly, efficient, convenient and most importantly, delivers results.

We strive to continually grow and develop our brand and since 2021, we have added a dedicated division for Land and New Homes and 2023 saw the launch of our Lettings Department. Both of which are headed up by industry experts with extensive knowledge and experience.
